

RLHOA Board Meeting Minutes  
2015 June Meeting

1. Lake issues with Marine Biochemist
  - Width and depth of lake dictated to developer
  - Fountains help water movement
  - Four aquatic plants are part of the lake
  - Moving forward, we will research the possibility of using city water to water berms – if this is economically feasible, a more aggressive lake herbicide could be used
  - Algae is covering the lights making them look dim
  
2. Dues/Budget
  - All bills are current
  - Checking account balance is \$42,127.61
  
3. RLHOA Board Replacements
  - If you are willing to serve, please contact Jim
  
4. Annual Subdivision Party
  - Saturday, August 29, 5pm-8pm
  - More details to come!

Submitted by Kris Nutt, RLHOA Secretary
